

Skin Check Clinic

Monday evenings at Newtown Medical Centre

If you have:

- fair skin that can burn easily
- previous episodes of significant sunburn
- previous frequent sun exposure
- an outdoor job or previous outdoor job
- an outdoor sport or hobby
- a history of using tanning beds
- lots of moles, or more than 10 moles on your arms
- a mole that has changed
- a skin spot that bleeds easily or is tender
- a personal or family history of skin cancer
- a lowered immune system, such as taking immunosuppressant medication

You may have a higher risk for skin cancer so book an appointment now for our **Skin Check Clinic** or talk to your doctor.

To book into the Skin Check Clinic please call reception on 5221 5044.

Cost for the skin check is \$143.95 with rebate of \$73.85
